

Greetings Cousins,

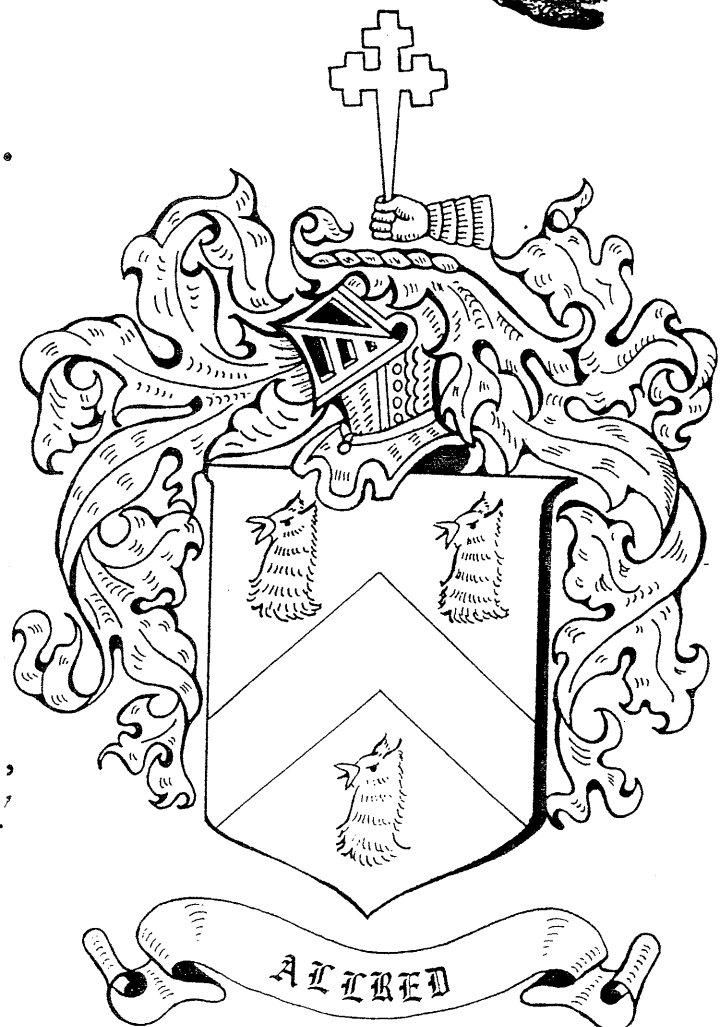

My name is Pat (Allred) Burnell. My father is Clement (twin) son of Ephriam L. son of Reuben Warren, son of James, son of William etc.

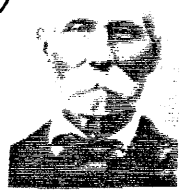

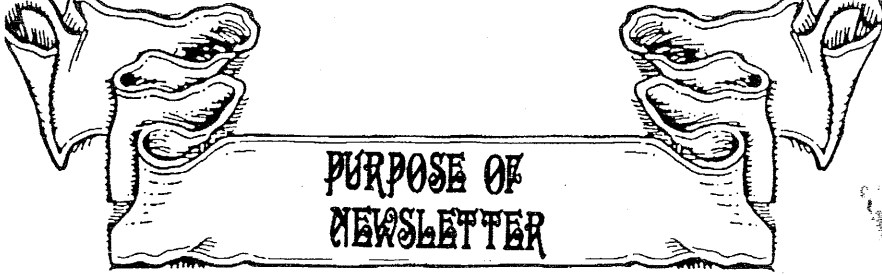

I have been given the honor of being the one to put together the "ALLRED FAMILY NEWSLETTER". I have no experience in writing publishing or printing. I do not type with more than two fingers, spelling is not one of my strong points, and I have no computer....What I do have is a great desire to communicate with our family, and plenty of "White-Out."

I am excited to get started, so please look beyond the abilities needed to tackle this project and into the heart, which is willing.

It was decided that we needed a newsletter at the 1987 ALLRED FAMILY REUNION in Lehi, Utah. At first it was only going to be the decendants of Ephriam L. Allred, then we decided to go back one generation, now the sky's the limit and we're including ALL the ALLREDS.

Thanks to my brother Don (see Don Allred's work) we have a mailing list, and thanks to an anonymous donor we have \$100.00 for stamps. The time has come to DO IT, so here goes!

- ) We have so many branches of the family that much of the work we do is a duplication of effort.
- ) Some of us are stuck in various areas of our genealogy work. Somewhere there is someone who knows how to help if they just knew we needed it.
- ) The newsletter can be used to notify the family of reunions, events, etc.
- ) We can share family stories and journals.
- ) You can keep informed of any new "ALLRED" publications.
- ) We can get help in identifying old photos and share and receive them from others.
- ) We can make contact with other branches of the family.
- ) The newsletter will instill more family unity and a feeling of belonging to a great family, which we are.

e purpose of the newsletter is to get e word out... Please feel free to copy y or all of this publication and pass on to those we were not able to contact.

This story is about Reuben Warren Allred. It is "Oral History", which has been passed down through the years and came to the attention of Dawnell Griffin (Author of "Kiss the Babies For Me", a history of Ephriam L. Allred.)

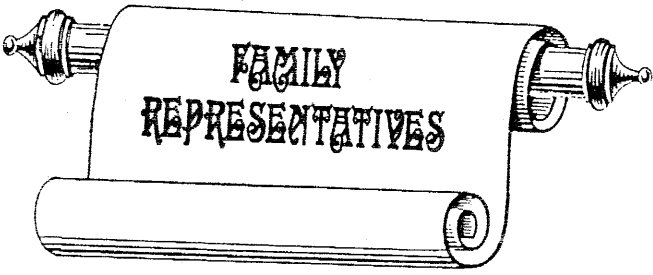

Reuben was well known for his temper. He was known to go for days without speaking when he got angry about something. One day during one of his silent spells, his son Reuben Jr. even poked him with a pitch fork, just to get him to say something...But now for the story.

One day R.W. got mad and he wouldn't talk at all to Lucy Ann, his wife. Several days went by without a word. One morning he went to the breakfast table and there was no breakfast. Lucy Ann was very busy looking in all the cupboards. R.W. waited awhile but was so stubborn he wouldn't talk so he left the house to work. By and by lunchtime came, and a very hungry man came in for lunch. This time Lucy Ann was still very busy and she was looking through all the shelves. Again there was nothing ready for lunch. Fuming, R.W. left hungry and went back to work.

Suppertime came and this time when R.W. came in Lucy Ann was looking under the beds...still nothing to eat. He was madder than ever but darned if he would ask her what was going on, so he went to bed.

Lucy Ann was persistant and this went on untill finally he could take no more.. "What's going on here anyway Lucy, what are you looking for?" "Oh. I've been looking all over for it and I've finally found it," she replied. "Your tongue!"

(If you have a family story to share just send it in.)

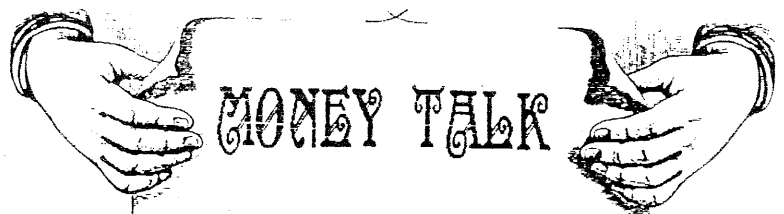

**FAMILY ORGANIZATION**

ALLRED'S unite! We need to get organized. The only way we can do it is to have a family representative for our parents, grandparents, and great grandparents. A family representative would be in charge of notifying about such things as births, deaths, marriages etc. of his or her families. If you would be willing to help in this area please contact myself, or better yet contact Don Allred, who is putting us all on the computer. (See section on Don Allred's Work.)

JAMES ALLRED & ELIZABETH WARREN

MONEY TALK

The money which will come in from subscriptions will be used for supplies, printing and postage. If there is any left over it will be used to gather and copy family records and photographs. No one will be paid for any work they do in behalf of the family organization.

Don Allred is looking into the possibility of forming a non profit corporation for the newsletter, books, geneology and related family work.

If there are any members of the family out there who are attorneys and would like to help please contact Don. Obviously any donations will be gratefully accepted to help this work go forward. A second newsletter will be published in January. There should be lots and lots of news.

# COAT OF ARMS

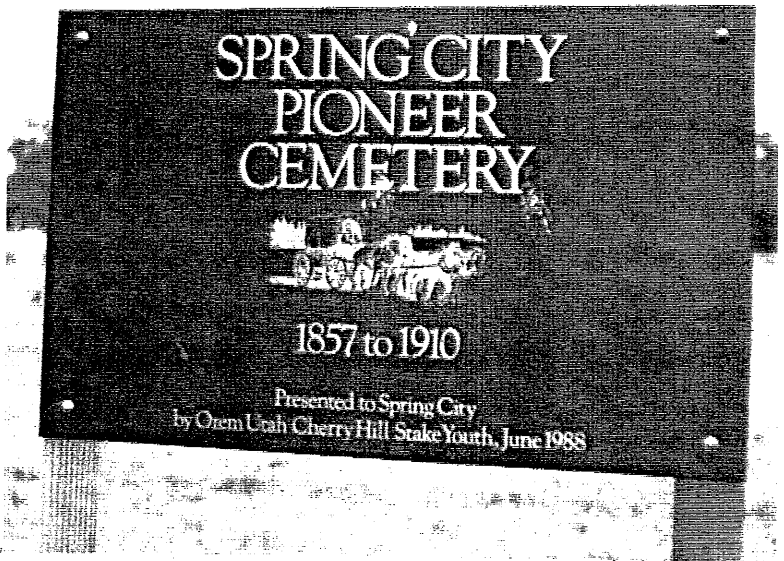

## COAT OF ARMS

Exciting news!! The Allred Coat Of Arms has been redone. Twenty five years ago I did the one which is printed in the book "The Allred Family in America," by R.C. Allred, and was never very satisfied with it. A small sample of the new crest is on the front page of the newsletter. The original is 8 1/2 x 11 and will be available in both black and white and color. At this time it will be offered for just the cost of the printing and mailing. Black and white will be just \$1.00.

My original is in color and I have only just discovered the marvel of lazer color printing. The color is so good that it is hard to tell the copy from the original. The machine is located at Utah State University and costs \$50,000 so it sure should do a good job. It even picks up the gold and silver to perfection. The lazer copy costs only \$2. to print, add the cost of the envelope, and postage and for now it will be sent to you for a cost of \$3.

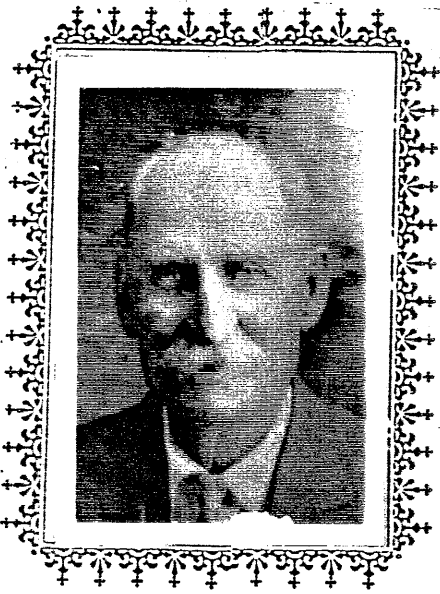

In addition I have discovered that it will also copy old photos and they look really great. Try and find one in your area and check it out, you will not believe what it will do. Please feel free to copy your copy. The point is not to make money, just to get our coat of arms in the hands of all the family members who want one. Remember, I'm not sure how long I will be doing this, so if you want we don't wait too long.

This summer three carloads of Allred cousins took a trek to Spring City to visit the homes and gravesights of some of the early Utah Pioneer Allreds. We were able to find the graves of ISAAC ALLRED, JAMES ALLRED, EPHRIAM L. ALLRED, and many, many others. RUBYEN W. ALLRED'S home is in beautiful condition and his granddaughter lives there. She was very kind and allowed us to come in and see it from the inside.

Spring City would be a wonderful place to hold an "ALLRED REUNION." There is so much ALLRED HISTORY there. It was in Spring City that we were able to purchase the book "Life under the Horseshoe." see the section on ALLRED FAMILY BOOKS.

# DON ALLRED'S WORK

Don's speciality is computers. He first became interested in his research when he met Dawnell Griffin at the 1987 ALLRED REUNION in Lehi, Utah. Don has been working continually for two years inputting and linking the entire Allred and related lines. The result of his work is a several hundreded page book entitled "THE ALLRED FAMILY ROSTER." (see section on Allred Books). He now has over 10,000 names on record, a large percentage of which are fully linked. Without Don's work this newsletter would not have been possible. The Allred decendants are estimated to be over 70,000. Don considers this estimate to be a little low.

Don would welcome help with data entry on an IBM or compatible. He will provide software, diskettes and instructions. You may contact him as follows:

# DAWNELL GRIFFIN'S WORK

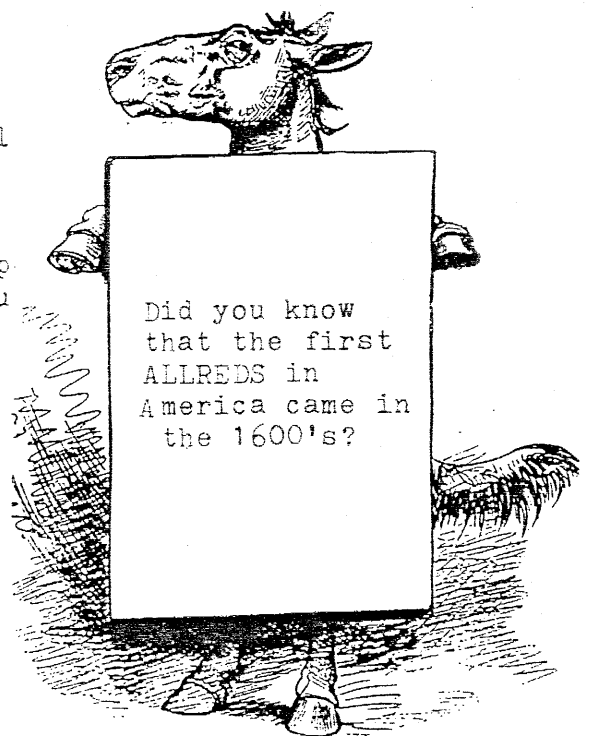

Dawnell is a great granddaughter of E.L. ALLRED. She is an author, family historian, and authority on early family photographs. She is gathering information for another book, this time on the life of Reuben W. Allred. If this book is anything like her last book (Kiss The Babies For Me) it will be an instant sell out.

One thing that consumes most of her time, is the documentation through birth, death, and other records, of the family line. She has completed all of the E.L. Allred line and is now working backwards in the R.W. Allred line.

Dawnell has hundreds of family photos, and is more than willing to share her knowledge and help you to get copies of your family's photo's. If you have any old photo's to share, she is the one to contact. If you want help in identifying people, she is also very willing. With the new inovation of the lazer copy machine, it is a simple matter to make a copy of your old photo's, and send her one at very little cost. An 8x 10 costs only \$2 here in Hyrum, Utah and several small photos can be taped together (on the Backside!) and enlarged to an 8x 10 size. Here is how to contact Dawnell:

*James Allred, founder of Spring City, 1784-1876*

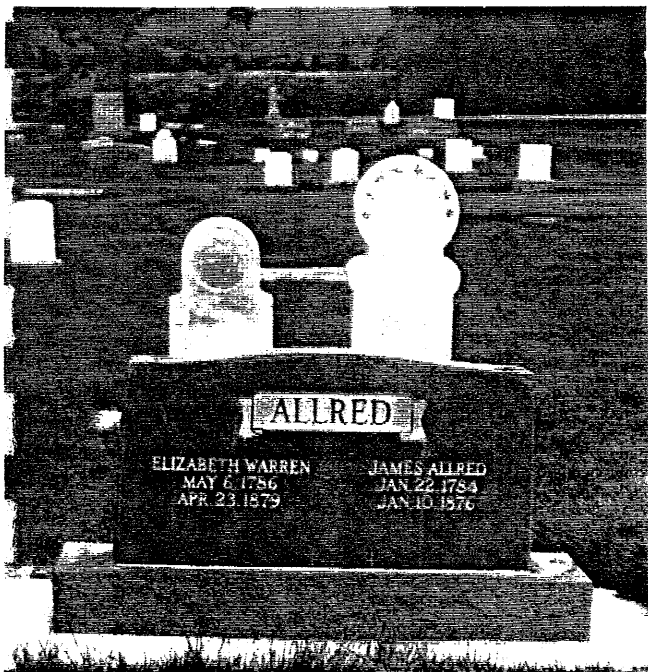

James Allred was a friend to the Prophet Joseph Smith. He endured all the hardships and persecutions that fell upon the early saints.

The following information on the life of James Allred is taken (with permission) from the book "Kiss the Babies For Me", by Dawnell Griffin:

"At Carthage Jail, the Prophet (Joseph) handed his sword to James Allred and told him he might need it to defend himself. This sword is, at this time, in the possession of Hal Edwards, a third great-grandson. After the martyrdom of the Prophet, James Allred went with his sleigh to the jail and brought the badly wounded John Taylor across the fields to the Taylor home."

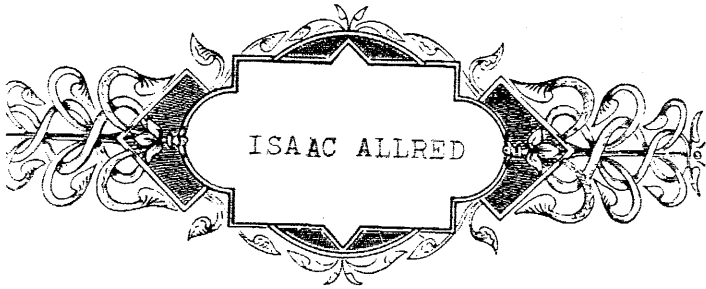

"In the fall of 1851, President Brigham Young advised "Father Allred" (James) to select a place for settlement where he could locate with his numerous posterity and kindred to preside over them. He chose for his colony what is now known as Spring City, Utah originally called "The Allred Settlement."

any thanks go to Mrs. Inez Allred, wife of David H. Allred, for compiling this history of the great Mormon Pioneer  
ISAAC ALLRED

Isaac Allred, son of William Allred & Elizabeth Thresher was born Jan. 27, 1788 in Pendleton So. Carolina. He was one of eight children. At the age of 22 he married Mary Calvert. They settled in the community of Farmington in Marshall Co. Tenn. They lived there for 18 years and had 10 of their children there.

In 1830 the family moved 1000 miles west to Monroe Co. Mo. Isaac's brother James and several of James's married sons had moved there the previous fall and founded what later became known as "Allred Settlement."

Two years later (in 1832) Hyrum Smith and John Murdock preached of a new Prophet by the name of Joseph Smith. James, Isaac and several other Allred families were baptized. It was here that Isaac and Mary had their 11th and 12th children.

When the saints were driven out of Monroe Co. the Allred's moved about 100 miles farther west and settled in Caldwell Co. Mary gave birth to her 13th child here.

The saints were once again driven from their homes by the extermination order of Gov. Boggs. Isaac, Mary and their 13 children moved about 200 miles back east to Hancock Co. Ill.

Isaac and his brother James and their families suffered much as they fled from devastated Caldwell Co. They had lost almost everything.

Isaac was a mason and he worked desperately to assist in completion of the Nauvoo Temple. In rags and without much food they struggled until the temple was completed, and it was there that he and his beloved wife Mary recieved their endowments.

Anxious to own property in Nauvoo, Isaac placed himself under bond to a local land owner, in order to purchase land. The family lived in Nauvoo until 1846 when they were once again forced to flee for their lives. They crossed the Mo. River on the ice in Feb. 1846. After much deprivation, suffering and sorrow, the family struggled across the whole state of Iowa to a point 8 miles east of Council Bluffs. Here he and James and the families including other Allred's formed camp and planted crops. They stayed in what was called "Allred Camp". until 1849 when they moved west in the Allen Taylor Co. They arrived in Salt Lake on Oct. 10, 1849. Only two years after Isaac and Mary arrived in the valley Isaac's beloved wife Mary passed away.

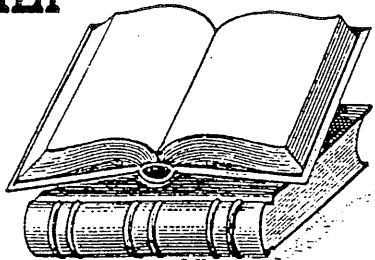

Two years later Isaac married a widow lady by the name of Matilda Stewart Park. They moved to Spring City and with his brother James was one of the faithful pioneer families. In his declining years he was cared for by his sons that surrounded him in Spring City. He was highly esteemed by all who knew him.

# ALLRED FAMILY NEWSLETTER

## SUBSCRIPTION

The plan at this time is to publish the "ALLRED FAMILY NEWSLETTER" on a quarterly basis. It is my feeling to do it more often, however for now it will be every three months. The price to subscribe will be \$10. per year. Unfortunately, due to the large amount of money required for such a large mailing, this will be the only time we will be able to send it to you free. If you would like to subscribe for yourself one subscription and then copy it for other members of your family you are welcome to do so.

The purpose is not to make money, but to get the newsletter out to all the family!
