OUR MISSION STATEMENT

"Identify and Unite the Allred Family Through Gathering, Storing and Sharing Information"

Presidents Message

Membership records and dues of the members of the Allred Family Organization, Inc. are now being handled by Pacific Fulfillment, 827 Arnold Dr. Suit 160, Martinez, CA., 94553. With their assistance we hope to better serve you. Pacific Fulfillment is helping us because one of our members uses them extensively in his business, and has offered to cover the monthly fee. The purpose of the fulfillment house is to keep better track of our members and to help us determine what you need and want from the AFO.

This arrangement also allows us to have a toll free number for our members to call and allows us to accept credit cards. The toll free number for the AFO is 1-800-833-0159. Please respond promptly to any surveys you receive from the Fulfillment house, in the name of the AFO. Please let us know if you have any suggestions, or have any difficulties. It is our hope that we can grow the membership of the AFO by better providing the types of information and services our members are most interested in.

Dear members, if you aren't certain when your membership is due, please check your address label. You will find a date on the second line of your address to the right side of the label. If your dues are due in March this date would be 3/99.

Remember please that we are a non-profit organization. Which means that the only income we have is the yearly dues that you as a member pay to us. If we have to spend a great deal of money sending out notices to you that your dues are due, then we are not being very efficient in the use of those funds. We need you to help us in this effort. Please be on time in paying your dues.

We are very proud of the Allred Family Newsletter (AFN), but it can only be as good as the information you send us. We would like to thank those of you who continually send in information and photos. There are many members in different parts of the country right now, and we would really like to showcase those families by featuring articles in the AFN. Please look through your family things and see if you can find some thing to share with the rest of the family, (Photos, articles, histories etc.). The only way the AFN can be more representative of the organization as a whole is if you take the time and share your family information with us. If you would like to be a contact in your state for the purpose of gathering information to share in the AFN, please let us know and we will publish your name and address in the newsletter. You don't need to be a professional researcher to help gather and submit information. So please share some of your great Allred heritage with us.

The 1996 summer issue, # 28 had some errors within. I am sure it was not intentional, never the less, they need to be corrected. **Carol Lynds** was credited for submitting some photographs. The correct submitter was **Kathleen Pace Boyd**. The photos she submitted are; on the back page, James A. Allred, who is her Gr. Grand father. Page 5, her grandmother, Hettie Florence Allred. Page 10, **Stephen Henry Allred and Elizabeth Parkis** (spelling correction also) And page 17, **Hettie Frost**.

Kathleen, we apologize for the mistake and we hope that if we make any other mistakes on things we publish that you will notify us so we can make the corrections. After all, we do want the information we put out to be correct and accurate.

I was notified also of a copy of the NL, which looked like a car had run over the front and back covers. If we have errors like this that come from the printer, we need to know of them also. We don't want the printer sending out that kind of product. On the other hand, often times the postal system does that kind of thing to the mail.

I would like every one to know that I had a wonderful time in North Carolina last Dec. Linda Cooper and Eddie Clay Allred took real good care of me. I gained a few pounds, walked many miles and visited many, many graveyards. We photographed all the gravestones we could find, and we didn't cover nearly all the graveyards in the area. I also videotaped all that we seen, with much explanation of it all. The photos and the video will be at the reunion for every one to see and I will print up a list of the photos to include the graveyard they were found in.

I met many more great Allred families and every one really made me feel comfortable and welcome. Again, it was one of the great experiences of my life. Thanks Eddie, Linda, Hollis, Franklin and especially to the wives and husbands of these special people who gave of their time to allow their husbands and wives to cater to me in that beautiful country where our families all began. We gained twelve new memberships while I was they are all wonderful people.

Sincerely, your cousin, Larry C. Allred, AFO President.

OOPS!

There is a correction to be made on a photo in issue #37
Maloy Allred was born July 1822 and not 1882 as printed

IF I HAD MY LIFE TO LIVE OVER

by Erma Bombeck

Submitted by Larry Allred

I would have talked less and listened more.
I would have invited friends over to dinner even if the carpet was stained and the sofa faded.
I would have eaten the popcorn in the 'good' living room and worried much less about the dirt when someone wanted to light a fire in the fireplace.
I would have taken the time to listen to my grandfather ramble about his youth.
I would never have insisted the car windows be rolled up on a summer day because my hair had just been teased and sprayed.
I would have burned the pink candle sculpted like a rose before it melted in storage.
I would have sat on the lawn with my children and not worried about grass stains.
I would have cried and laughed less while watching television-- and more while watching life.
I would have shared more of the responsibility carried by my husband.
I would have gone to bed when I was sick instead of pretending the earth would go into a holding pattern if I weren't there for the day.
I would never have bought anything just because it was practical, wouldn't show soil or was guaranteed to last a lifetime.
Instead of wishing away nine months of pregnancy, I'd have cherished every moment and realized that the wonderment growing inside me was the only chance in life to assist God in a miracle.
When my kids kissed me impetuously, I would never have said, "Later. Now go get washed up for dinner."
There would have been more "I love you's" .. more "I'm sorrys" ... but mostly, given another shot at life, I would seize every minute...look at it and really see it... live it...and never give it back.
In memory of Erma Bombeck who lost her fight with cancer.

EAST COAST ALLRED UPDATE

by Linda Allred Cooper LACooper@compuserve.com

We've got two BIG announcements to make: The first announcement is Carolyn Allred's (Eddie Clay Allred's wife) transplant surgery which took place right before Christmas. She received a kidney/pancreas double transplant on Friday, December 18, 1998 and had such a miraculous recovery that she came home from the hospital Christmas Eve. Most transplant patients expect to stay in the hospital 2-3 weeks after surgery! No longer diabetic because of the new pancreas, Carolyn is enjoying sweets again and made eating a bag of M & M's look like "Heaven on Earth" 2 days after her surgery! Except for a bout with the stomach flu about 2 weeks after the surgery, Carolyn is doing great!! We are all celebrating this miracle - but at the same time we ask that you add that unknown donor and his/her family to your prayer list. Unlike our Christmas celebration, their Christmas was filled with mourning the death of a loved one. Our Lord works in mysterious ways!

Our second announcement is: we will be hosting an **Allred**

Family Reunion at Gray's Chapel United Methodist Church in Randolph County, NC, on Saturday, September 11, 1999. All Allreds, Allred descendants and everyone interested in the Allred family are invited to come join us. As you may already know, there used to be an annual Allred Family Reunion at Gray's Chapel each year and Allreds came from all over the USA. But, during the early 1960's this reunion "died out". We're reviving it and hoping each of you will plan to join us. Right now, our plans are just in the beginning stages, but our schedule for that day will probably be something like this:

10:00am arrivals, greetings and socializing

11:00am short business meeting

12:00noon covered dish (pot luck) lunch

1:00 pm socializing for as long as you would like.

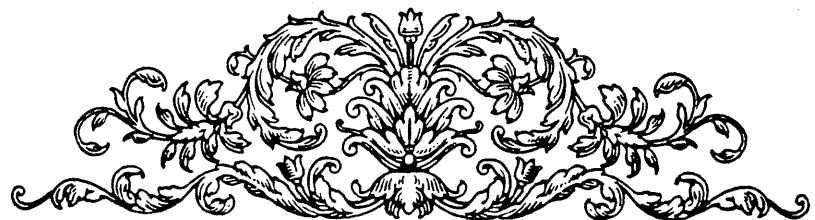

Some of our musically talented cousins have volunteered to play and sing for us.

We plan to have displays from the Allred Family Organization and the East Coast Allreds available all day. Pictures of various Allred sites around Randolph County will be on display also. Extra display areas and tables will also be available if you would like to bring your own mementos to show off. We are working on a map of Allred sites in Randolph County so you can go on your own Allred tour while you're "in the neighborhood" and tour guides will be available to show you around "Allred Country" that Sunday if you decide to stay in town. If you have any requests or suggestions of activities for this reunion, please contact me asap and we'll see if we can accommodate you. The airport at Greensboro will be the closest one to the reunion site (about a 45 minute drive away) and both Greensboro and Asheboro have a large selection of motels for you to choose from. For more information on any of this, just let me know.

As usual, we've been very busy meeting new Allred cousins and collecting new Allred information. The "Week of Allred" was a huge success as you can see from the article elsewhere in this newsletter. We hope to plan another "Week" and I'll be sure to let you know when that will be so you can plan to join us.

In January I met Mae Taylor Powell who is the President of the Allred Reunion Committee for the descendants of John Durk Allred. Mae lives in Glenola (Randolph County). The instant I walked into her home, I felt like I had known her for years. She's a very gracious lady and full of Allred family information. The Reunion for the descendants of John Durk Allred is held the first Sunday of August each year in Archdale, NC. For more information on this, please contact me.

I'll close by telling you that I've been contacted by two Afro-American Allreds during the last couple of weeks. As you know, some of the Allreds in Randolph County were slave owners. Most likely some of these owners fathered children by their slaves. I'll be working with our new Afro-American cousins over the next few months to try to figure out how they fit into our family tree. If any of you have any tips or suggestions on how to trace slave ancestry, please let me know. This will be a new experience for me and one that I'm very excited about.

**Allreds in Redick R. Allred's
Mission Experiences**

By Glen E Allred

In reading the missionary diary of Redick R. Allred, it was interesting to note his visits with Allred families in Alabama and Georgia in the 1880s. I shall write about some of these contacts he made, along with some other experiences he had while in the mission field.

The first Allred he mentions is Seburn Allred in Talladego County, Alabama, who they met the 12th of February, 1886. He gave them directions to Seburn's nephew George Allred "..... with whom we lodged, he had 5 in his family. 13th we got directions to his father, Maston, in Georgia near Cedar Town where we found 5 in the family, & two widow daughters & one nephew in the neighborhood". This was February 13th, 1886. "14th Sunday with them. 15th called on their son Wily & wife then to his brother Wm & had dinner, 6 in family thence to John's & lodged, 3 in family one widow sister & one orphan _____ daughter & two married daughters".

On March 25th, Redick records that he "Pulled a tooth for Rbrt. Widd". Then the next morning, "26th after breakfast, sang 2 or 3 hymns, bid them adieu & started for Wm Allreds where we arrived in safety 10 miles he had a son & two daughters at home, a son married with three children making 9 Allreds....." "Wm's fathers name is Andrew, his grandfathers name is Thomas, his uncles Nathan, Solomon, James, William, Lemuel. There were other Allreds in that section I didn't see but hope to see them yet".

May 3rd, 1887. We went 6 miles to Bremen (Ala.) To visit an Allred family. James "Babe" Allred father in a family of nine. His fathers name is Nathan and was 77 years old at this time. Nathan's fathers name is Thomas and was a Tennessean.

May 21st, 1887 ".....went to Dallas Allred, found Jas. Elkins there, married Allred daughter, had a very good time with them....."

September 11th, 1887. Sunday. Meeting ".....convened at early torch light with the family & a few neighbors. Wm. Chas. Allred being present, & we had a good time. 12th after breakfast, pulled a tooth for Benny W".

My ALLRED Family

By Sue Whitley ESTEP

I started Researching my ancestors about 15 years ago. I spent hours in Libraries and going to the Archives in Raleigh, NC. I started out researching my maiden name, Whitley, and then started on my grandmothers name, ALLRED. I thought I had found gold when I found the book, "The Allred Family in America" By R. C. Allred. I had done extensive work on the ALLREDS and this just put a drive in me, to want to learn more about them.

I met Linda Allred COOPER on the Internet and she invited me to a day tour of Randolph Co., NC, Which she called, "ALLRED County". We had a very good time and it was exciting to see where all these ALLREDS were born and lived. She invited me to a meeting that she was setting up with some ALLRED descendants.

Well, I went to their first meeting and I was thrilled to find family that was researching for the same lines I was searching

for. They graciously invited my husband and I to share in their "Week Allred". I can truly say that it was a genealogists dream come true. On Saturday, December 4th 1998, we hiked and found an abandoned cemetery with ALLREDS in it. Then Monday the 6th we found another cemetery, in which we found my 4th great-grand father, Elisha ALLRED and his wife Barbara SPOON ALLRED. We had a great time and it is something that we will never forget. They are all great people and we are proud to call them family. I know that

our ancestors were looking down on us and was blessing our trip. I'm sure that they are glad to know that they were not forgotten after all. My ALLRED family:

REUNION '99

The Allred Family Organization's annual reunion in Spring City, Utah will be held the last Saturday in June (June 26th). This will be the last AFO Spring City Reunion this century, so make plans to be there.

Spring City, is located in central Utah and was originally settled about 1850 by James Allred, his brother Isaac, and their children. The town was originally known as Allred Settlement. We have been having annual reunions there since 1991. The entire town is on the National Historical Register, and many of the old buildings have been restored to their original condition.

Friday night we will kick things off by cooking hot dogs and roasting marshmallows at the fire pit on the south west corner of the Old School grounds. The AFO will provide the hot dogs and marshmallows, along with willow branches for holding them. We usually have some of our talented cousins show up and play music, and have even been treated to some Cowboy poetry in the past. You will find that we are an appreciative audience so stop by and show off your talents.

The lunch we cooked last year was a big hit so we are planning on doing it again. Last year we provided BBQ chicken, burgers, hot dogs, corn on the cob, beans, chips, and soda, in an "all you can eat" format for \$3.50 per person. So, we are asking that you not only show up for the reunion, but show up hungry.

There will be a short business meeting in the Old School gym in the morning. The times of events have yet to be determined, but will be posted on our web site and will be in the next newsletter. We will have a number of things of interest to family genealogists including books, copies of past newsletters, and photos.

We will have games for the kids including a dunking machine. And we will be taking the kids over to the cemetery for a "cemetery scramble." The kids will be given small red flags to mark the sites of all of the Allred headstones in the cemetery. The kids have a lot of fun doing this and the cemetery is quite a sight when they finish.

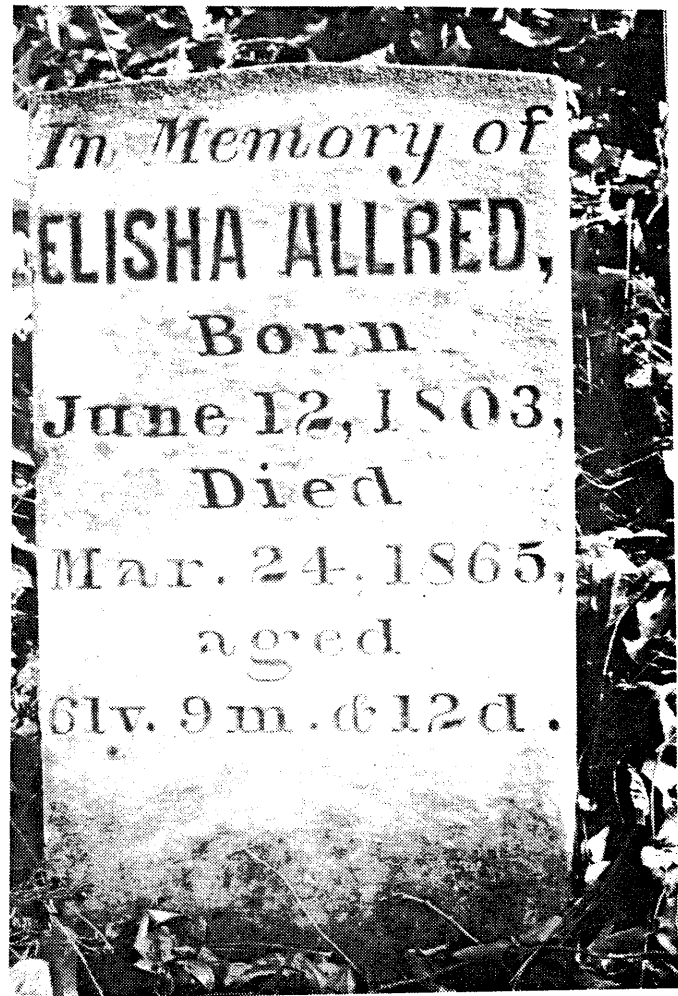

Arrangements have been made to purchase some numbered markers to be used to mark some of the homes, buildings, and other areas of interest to Allreds. There is also a walking tour available from the Daughters of the Utah Pioneers. We will be sure to have these available as well.

Last year we had a raffle, and raffled off a beautiful hand made quilt, made by the Borgstrom family, some Allred Family Roster CD's, donated by Don Allred, and some free memberships for the AFO. If any of you want to help put together some nice things for this years raffle, please contact me.

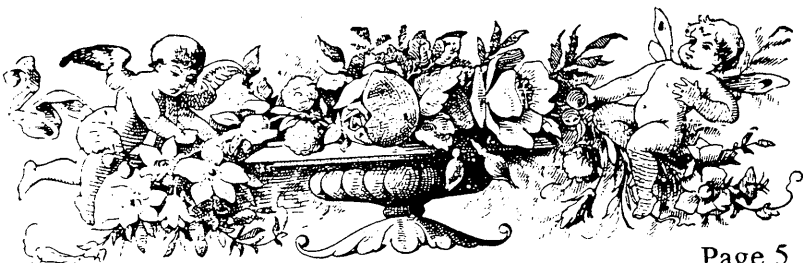

Several of us reserved a number of rooms for the weekend of the reunion. If you need lodging please contact me.

We look forward to seeing you in Spring City, and would like to also call your attention to several other Allred reunions around the country. We will be posting information on these reunions on our web site and in upcoming newsletters.

JOSEPH A. Allred

August 1851 Randolph County, NC

submitted by: Linda Allred Cooper LACooper@compuserve.com

Transcribed as written in the court documents. Originals on file in the Research Room of the NC State Archives. This gives us a idea of the "worldly possessions" of one family during the mid 1800's.

An Inventory of the personal property of Joseph A. Allred deceased wich came in to the hands of Martha Alred his administratrix.

MARY EMILY ALLRED
1909 - 1999

The Ephriam L. Allred family mourns the passing of his last surviving daughter-in-law, Mary Allred, wife of Clement Allred. Clement (Ephriam L., Reuben Warren, James, etc.). Clement died in 1978 and was the last surviving of the thirteen children of Ephriam Lafayette Allred. Mary died in Carson City Nevada and was buried in California, next to her beloved husband of 47 years. Mary was 89 and had suffered with poor health for many years. But that didn't stop her from working as a full time volunteer for the Deseret Industries for 12 years until the age of 87. Mary was lovingly known as the "Doll Lady" for her work in dressing and restoring hundreds of dolls for children in need. She was a tireless worker and an inspiration to all the people she worked with.

Mary is survived by her three children, Barbara Aylesworth (Former AFO Secretary), Pat (Burnell) Scheib (AFN Editor) and Donald C. Allred (Roster Originator) and many grandchildren including our AFO Vice President, Bob Olson. She will be greatly missed.

Much of the thanks for this edition of the AFN goes to our east coast cousin, Linda Cooper. I fear that without her tireless efforts this edition would be about 8 pages instead of 20! Thanks Linda! We love you.

People will soon be able to submit articles through the net. This is a very exciting prospect! Pat

This is a photo of a small gravestone, which is all broken up. Larry says "I literally had to piece it together like a puzzle to read anything from it. A tree about two or three inches in diameter literally grew up through it. On page 6-3 of the "Allreds in America" book 1-1-4-8 Kissa Ann Allred b 1849. You can see that this person is the same as the book, but the name appears to be a little different. You can easily see the word KISS, but then there is a small wedge of the stone missing but there is clearly more lettering there. It's possible that the next letter is an "R" or a "P" and then EANN. As it is written on the stone it looks like this: "KISS REANN", I believe it is an "R", simply because "P" wouldn't fit. Never the less, we may never know for sure.

As best I could make out the writing on the stone, this is what was on it: Kiss reann Allred born -ug 1849 died May 31, 18-- 1yr 9m 1o. The "o" following the number one is the bottom half of a number, which had to be a 3 or a 5 or an 8. As you can see from the picture the break was right across the letter.

EMAIL

As you receive my things by e-mail, it's wise to remember how easily this wonderful technology can be misused, sometimes unintentionally, with serious consequences.

Consider the case of the Illinois man who left the snow-filled streets of Chicago for a vacation in Florida. His wife was on a business trip and was planning to meet him there the next day. When he reached his hotel, he decided to send his wife a quick e-mail.

Unable to find the scrap of paper on which he had written her e-mail address, he did his best to type it in from memory. Unfortunately, he missed one letter, and his note was directed instead to an elderly preacher's wife, whose husband had passed away only the day before.

When the grieving widow checked her e-mail, she took one look at the monitor, let out a piercing scream, and fell to the floor in a dead faint. At the sound, her family rushed into the room and saw this note on the screen:

Dearest Wife,

Just got checked in. Everything prepared for your arrival tomorrow. PS. Sure is hot down here.

MAGGIE REMEMBERS

(Thomas, John, John Calvert, Elijah, Ellis, Maggie)

submitted by Linda Allred Cooper LACooper@compuserve.com

Mae Taylor Powell, Maggie's niece, has collected family history information for over 30 years. As Secretary and later President of the Reunion Committee for the descendants of John Durk Allred (Maggie's brother and Mae's Grandfather), Mae has recorded an incredible amount of family tree information over the years. She has also collected family stories, some of which she has written down to keep for future generations. The following are excerpts of a report Mae wrote in 1977 after visiting her Aunt Maggie and listening to her stories all afternoon.

Thank you, Mae, for sharing these stories with us!

Elijah Allred married a **Scarlett** and they had 8 children that Maggie could name: Lizzy (married a Hayes), Lish (Married a Bulla), John Durk (married Francis Caroline Neighbors), Rowe, Hack (who moved from Randolph to Chatham County), Willard, Walt and William. Elijah and wife lived in Randolph County near Asheboro, NC. They are buried in Giles Chapel Cemetery with an infant son named William.

Elijah's son, John Durk Allred was born March 22, 1851 and married on April 4, 1869 in Randolph County. They had 9 children. Maggie did not know where they lived when they were first married, but later they built a house on Spero Road near Haskett's Creek and where Klopman Mills is now. Grandpa John Durk and Grandma F. Caroline hewed out from oak trees the seals or sleepers for the house which are still better today than what is used in 1977. After their death, the old home place was sold for \$600.

Aunt Maggie told the following event she recalled as a child. She said she remembered going to a big meeting at Neighbors Grove Church in Randolph County near Asheboro when she was five or six years old (about 1904). The Preacher was preaching his sermon, the people were Happy With The Holy Spirit, praising The Lord. A man all at once jumped to his feet clapping

his hands and popping his heels (sometimes this was a reaction of congregations). The man shouted "Glory to God, I've got It!". Aunt Maggie said this nearly scared her to death. Her Grandpa John Durk Allred, also attending the meeting, took her outside and sat with her on a log or stump and tried to explain about the Preacher, the meeting and the reaction. This event was one she said she'd never forget and she had a wonderful smile on her face while doing all this reminiscence.

Maggie also told us that her Grandpa worked at a sawmill and he came in one day with about \$300 in gold and \$400 in silver. He laid it out on the table for the children to see and said that before he died he would give each of his grandchildren a piece of gold to keep, but the gold got gone and was never seen again.

Maggie told of Grandma's big cabbage patch and making kraut in a large wooden barrel and of her apple orchard. She was known to be a good tree grafter and had one tree she had grafted with nine different kinds of apples.

Ellis and Anner Allred (Maggie's parents) were married in Randolph County and had nine children. Lottie and Maggie, the two oldest, didn't go to school, therefore they never learned to read or write but could remember clearly. Lottie and Maggie stayed home to help work and make the living along with their parents so the rest of the children could go to school.

Aunt Maggie said she did most of the cooking, sewing and housework for her mother so her mother could help her dad in the fields and at the sawmill. Lottie, she recalled, did not know how to cook until she was 17 years old and then she learned to make some good biscuits. Once, when Maggie was about 5 years old, her father cut his foot badly at the sawmill and had to be on crutches for a long time. Her mother was not too good on a cross-cut saw, so Lottie (two years older than Maggie) and Maggie were put on the saw. They cut 2 cords of wood a day and stacked it at 50 cents per cord.

(The Reunion for the Descendants of John Durk Allred is held the first Sunday of August each year. This year it will be held on August 1st at Creekside Park in Archdale, NC. Mae says everyone is invited, just bring your "covered dish" and come on! For more information on this reunion, please contact me.)

Company records do not indicate whether he returned to duty, however he was captured by the enemy and paroled in Dinwiddie County, Virginia, April 14, 1865.

Alford, Sims, Private, Company B, 22nd Regiment

This company was known as the "McDowell Rifles". Sims resided in McDowell County where he enlisted at age 25 on May 8, 1861. Died in camp near Richmond, Virginia, on or about July 22, 1862 or disease.

When things go wrong,
as they sometimes will,
When the road you're trudging
seems all uphill,
Keep your spirits high
for through thick and thin,
You must carry on
if you are to win.

Life is strange
with its twists and turns
As everyone of us
sometimes learns.
It challenges us
to often give up
When we could have captured
the victor's cup.

So turn your failures
inside out,
Press them on past
fear and doubt.
Never mind if things
hold you back a bit,
You'll come out on top—
but you mustn't quit.

WEEK OF ALLRED

by: Linda Allred Cooper

You may remember me mentioning the "Week of Allred" that the East Coast Allreds were planning in our last newsletter. Well, it was a huge success!!

Our goal for the "Week" was to experience "hands-on" genealogy research on and near the land that was originally owned by the Allreds in the mid 1700's in Randolph County, NC.. We wanted to actually walk the original land, see the creeks, rivers, hills and valleys that our ancestors knew.

We also wanted to explore some abandoned graveyards that various hunters had told us about. We strongly felt that some Allreds would be buried there and we were right. And, of course, we wanted to meet and visit with some of the Allreds living in the area.

Our AFO President, Larry Allred, arrived in North Carolina on Friday, December 4th to officially "kick off" the "Week". Alice Allred Pottmyer (of Arlington, VA), her daughter Laura Pottmyer (of Apex, NC), Tom and Sue Estep (of Wilmington, NC), Hollis, Sara, Eddie Clay and Carolyn Allred (of Randolph County, NC), brothers Jack Allred (of Siler City) and George Allred (of Bonlee), brothers Franklin and Eugene Allred (both of Cedar Falls), our guide for the day Johnny Allred (of Cedar Falls) and me (Linda Allred Cooper of Pittsboro, NC) all met Saturday morning to go over our plans and begin our exploration. Our first day was spent hiking to and exploring a graveyard abandoned about 50 years ago located on the John Pugh land near Cedar Falls (Randolph County). This had been a private family graveyard for the Trogdon family with some graves dating back to the late 1700's. As you may know, the Allred family and Trogdon family did inter-marry and, as we expected, there were Allred graves there. Most tombstones had fallen over and were buried under several inches of dirt and forest debris.

We met for supper that evening in Siler City (Chatham County, NC) where we were joined by Linda's parents, Jack and JoAnn Allred (of Siler City), Linda's Uncle George and Aunt Marie Allred (of Bonlee, NC), and John and Virginia Allred (of Pittsboro, NC).

Sunday, we attended Worship Service at Gray's Chapel United Methodist Church which many consider to be the "Home Church" of the Allred family because of it's age and the age of the Allred graves located there. Eddie and Carolyn Allred hosted a wonderful lunch where brothers Franklin and Eugene Allred (of Cedar Falls) and Eddie's Aunt Mary O. Jones (of Cedar Falls) joined us. Then we hiked from their house into the woods to view natural water falls, natural caves, fox dens, and to experience some of the pristine woods that are untouched from the time of the original Allreds.

That evening we visited Garland Allred, one of the oldest Allreds living in the area. Garland had a wonderful photo album full of Allred family photos, some dating back to the mid 1800's. He played his guitar while we sat in his yard singing and watching the sun go down - the perfect ending to a perfect day. We ended our day by visiting Garland's sisters, Crayteen Brown and Betty Harris and sharing Allred family stories. (Crayteen's persimmon pudding was delicious!!!)

Most of Monday was spent in south Randolph County near the town of Coleridge where we worked in another abandoned

graveyard (located on the Ronnie Reid property on Riverside Road). Thankfully, someone had already done the "heavy work" of cutting down and removing the trees and most of the thick underbrush that had been there earlier this Fall. After clearing off some briars and weeds, we worked on setting the fallen tombstones upright and gluing the broken ones back together (auto bondo is great for this). Elisha Allred (6/12/1803), wife Barbara Spoon (2/21/1806-2/26/1869) and three of their children were buried here along with members of the Moffit/McMoffitt family. A tour of historic Coleridge wound up our afternoon.

Tuesday was spent visiting various churches around the Cedar Falls/Franklinville area of Randolph County. After a good ole Bar B Q lunch at the Blue Mist, we visited Mary O. Jones, who is 83 years young and very knowledgeable about the Allred family and Randolph County. Mary is not only one of the oldest Allreds still living, but she is also the church historian for Gray's Chapel UMC. She had spread her table with family photos and we spent the afternoon listening to her stories. That evening we met at the Ryan's Family Steak House in Asheboro for dinner and stories. During dinner, Larry surprised everyone by singing a touching hymn written by Eddie Clay's father in the 1930's. There wasn't a dry eye in the place!!

Wednesday morning was spent viewing the Cedar Falls Historical Society's collection of artifacts. After lunch we visited a few more church cemeteries in the area where we again found more and more Allred tombstones. From there we visited the old homestead of Isaac Allred (we're not sure which Isaac Allred lived here, there were many in the area at that time) which dates back to the early 1800's. This old house, now abandoned, is in surprizingly good shape.

Thursday we slept in a little this morning after an exhausting week. Then our busy day began with lunch at K & W Cafeteria in Greensboro (Holden Road). A large group showed up for this meeting: Larry, Linda, Sara, Hollis, George and Marie (all mentioned above) along with W. Darrell Allred, Boyd Allred, Rex Allred, and Robert Bryan all of Greensboro. K & W Cafeteria was founded by the late Grady T. Allred in the 1960's. This chain of restaurants is very popular in this area and still owned and operated by his family. After our lunch, we headed to the Central Falls area of Randolph County for a tour of that area hosted by W. Darrell Allred ("I part my name so that the W. goes on one side and the Darrell goes on the other"). While in Central Falls we stopped by the old Rock Store thinking we would just buy a soft drink. Little did we know that yet another Allred, James Carlton Allred and his family ran this store. They were very gracious as we descended on them with question after question about his family and the history of the store. After asking him to name all of his family members, everyone laughed about this being a test and how he was going to study for the next one.

That evening we met once again at Ryan's in Asheboro. Adrian Allred (of Pittsboro), Linda's 12 year old son Michael, Boyd and Marie Allred (of Asheboro), Jim Allred (of Liberty), Franklin Allred (of Cedar Falls), Eddie Clay's son Steven, wife Melissa and grandson Shawn (of Cedar Falls) and John and Virginia Allred (mentioned above) joined us for this last supper meeting. It's worth noting here that this Boyd Allred (a different Boyd from the one who joined us for lunch earlier that day) and

Week of Allred Continued:

his brother Jim are War Heroes, having both been held POW during the Korean War. More on their stories in a future newsletter. After sharing Allred family stories and eating a wonderful dinner, everyone sang Happy Birthday to Eddie Clay's wife, Carolyn.

Friday, we returned to the abandoned graveyard we had visited on the first day of our "Week" and uncovered a few more tombstones. We also visited yet another abandoned graveyard located near the Cedar Falls City Landfill. Unfortunately there were no Allred names found here.

Saturday was a relaxing day with the morning spent sleeping late and moving slow which is exactly what we needed. That afternoon, Larry and Linda rode to Raleigh for lunch and a tour of the North Carolina Capitol and Legislature. The rest of the afternoon was spent in the North Carolina State Archives doing a little quick research.

Although some of the hiking and physical activity kept some of our group from participating in every activity, there was something for everybody, and at the end of the week, everyone remarked on how much they had enjoyed themselves. This Week of Allred was such a success that we hope to plan another one for the upcoming year. As word spreads of our goal of learning as much as possible of the Allred family, we are all receiving phone calls and e-mail, and news of more abandoned graveyards where Allreds are buried. If you would be interested in joining us for the next Week of Allred, or if you have a special request or activity in mind for an upcoming "Week", please let us know!! Roster Online <http://www.scvnet.net/~allred>

Our database server GAMMA died a few weeks ago and has been replaced with a faster model. What is a database server? When a visitor to the Allred Family Roster website "requests" information from one of our searchable databases a separate computer "serves" or returns the "answer" to their web browser.

Since the changeover to the "new" GAMMA we've moved all the programs that serve the database "requests" to a new directory therefore your old bookmarks will not work so you may want to go to the Roster homepage at <http://www.scvnet.net/~allred>, use the hyperlinks to your favorite database and adjust your bookmarks.

What databases are available online?

"Every Name Index"

Congratulations on an extremely well-designed home page. I was delighted to locate it as I am stumped on my **Fisk/Allred line**. My gggrandfather (known as "Tanner" because that was his occupation) was **Crawford Fisk** and he married **Martha Allred** from Alabama (I don't yet know where she was from in Alabama). Crawford Fisk was shot by bushwhackers during the Civil War when he was home on leave to cut winter firewood for his wife who was pregnant at the time and saw him murdered in their front yard. Martha's sister, Carrie Allred, was staying with them at the time and she ran to a neighbor's for help. Crawford and Martha (Allred) Fisks's son, James C. Fisk married Martha Jane Carson. James C. Fisk's obituary stated his parents had moved to Baxter County, AR from Alamaba. My grandfather was James C. and Martha's son and his name was James Evin, b. 1891, d. 1955, married Mary Elizabeth Tucker, b. 1891 d. 1981. My father was Lloyd Russell Fisk, b. 2/27/14, d. 10/5/79, married Florene Baker, b. 2/7/17, on 4/27/40. As of right now, I have no further information on parents or siblings of Crawford Fisk or Martha Allred, so would like to fill in that information.

Will be happy to correspond with anyone who believes we have a connection. Mara Fisk mfisk@entergy.com New Orleans, LA

Just tied my husband's line to the Allred's!
Looking for **Druzilla Eliza Allred** b. 1870 SpringCity, UT. First husband was **Joseph Christensen** b. 1871 Mt.Pleasant, UT. Second husband Samuel E. Love b. 1864 Nephi, UT. Anyone know anything about her or pictures? Thanks.
Vivian McCune Love Vlove56008@aol.com Yorba Linda, CA

Just searching the "C" I found **Chaffee, Chafin Chaffin, Carroll Cheatham, and Cheatham**, how do I find more information on these listings? Great site. T. Denby jdenby@inna.net Gloucester, Va.

Great asset! I'm looking for **Nancy Melinda Allred**, born 16 Oct 1829. Supposedly Cherokee Indian. Raised in Kirksville, Adair, Mo and Unionville, Mo. Married 1847 to **Henry Marion Barnes**, a Baptist Minister. Nancy died 1901. Parents born in NC, TN or Georgia, depending on what census you believe!
Steve Craig Sraig7001@aol.com Elma, WA

I am new to the internet and fairly new to genealogy. I am descended from **Samuel Reuben Allred** and **Margaret Humble Allred** of the "Peavy Switch" area near Lufkin, TX, through my grandmother **Margaret Rosetta Allred Bounds**. I am looking for information on both the parents of Samuel and Margaret who came to east Texas around 1845-48. Samuel

Reuben was born in Mississippi (according to the census) about 1820, his father is listed as from NC. I would appreciate any help that you can give me. Thanks. Wayne Bounds hbounds@aol.com Mesquite, TX

I am looking for any information about my great grandmother **Jane Allred**. We have little to go by. She came from the Birmingham Alabama area and married a Stewart in the 1880's. She had one son, **Hoziekial(?) franklyn Stewart** in 1885 and died in 1886 when her skirt caught fire while standing next to the fireplace. She also had twin brothers that wrote hymns for the Methodist church. As far as I know they all stayed in the Birmingham area all their lives except for Hoziekial. I would appreciate any information that may fit. Bruce Strampe bstrampe@worldnet.att.net Panama City, FL

Hello, Great site and thanks for the hard work of Don Allred and others! My line as listed in the roster is : **James Lee Allred** (03010304020206) b 01/06/1962 (**Edward Dowd, Roland Dowd, Clemmons Mimms, Robert, Phineas, Solomon**) descendants: 0 I'm looking for any info on my family. First I'm filling in blanks of Uncles and Aunts and then hope to follow my family line back to Jackson, TN. Any Allreds in the St. Louis area, lets get together for coffee and compare notes!...
